The All British Car Day has two enduring features: partnering with a charity and featuring a specific vehicle model.

This year, the event is proud to support the *Heart and Stroke Foundation*. This foundation is a leading funder of life-saving research, which has led to breakthroughs such as heart transplant surgery and a revolutionary stroke treatment that cuts the death rate by 50%.

The featured vehicle for 2020 is the *Triumph Spitfire*. 40 years have passed since the last Spitfire was manufactured.

Stop by the event for a day of fun while supporting the *Heart & Stroke Foundation*.
